

# *HOLCOMBE RESIDENTS ASSOCIATION*

## **Members questionnaire August 2010**

[www.holcombedevon.co.uk](http://www.holcombedevon.co.uk)

**If you are not in when your street rep calls please complete the questionnaire and return it as shown on the attached agenda for the coming meeting**

1. The Residents Association runs, or helps to organise, a number of activities. Which of these do you use / value?

General meetings	<b>yes / no</b>	Annual barn dance	<b>yes / no</b>
Lunches / trips	<b>yes / no</b>	Arts and craft exhibition	<b>yes / no</b>
Village website	<b>yes / no</b>		

2. The four General Meetings a year provide a forum for Residents to discuss local issues. Is there anything we should do to improve these meetings and to get more people attending e.g. change the format, frequency or day on which meetings are held?

3. One of the aims of the Residents Association is to “**consider practical ways of improving the general quality of life of residents in the village**”. Is there anything else that we should be doing to meet this objective e.g. organising more social events, pushing for improvements in the village, providing more information to Residents?

4. Our priorities for the coming year are:

- To monitor planning applications and comment accordingly in line with our policy
- To look at further ways of meeting our aims / objectives (hence this questionnaire)
- To be more proactive in getting changes to the main road near Smugglers Lane to help pedestrians cross the road
- To organise more social events

Would you add anything to the above?

5. Are there any other comments you would like to make about the Residents Association or Village?

**Thank you for taking the time to answer these questions.**
