

# HOLCOMBE RESIDENTS ASSOCIATION

Dear village resident,

February 2009

## **Holcombe Arts & Crafts Exhibition. 12<sup>th</sup> & 13<sup>th</sup> September 2009 A celebration of the artistic talent in the village**

We will be holding the third village Arts & Crafts exhibition in the village hall over two days in September. We hope and expect that it will be as enjoyable and impressive as the last one which was a great showcase for the wide range of talents in the village.

**I am writing to ask if you might be interested in exhibiting at the coming exhibition. We would very much welcome people who have not exhibited before. If you make or have made anything which you would like to exhibit we hope you will take part. Please don't be shy or concerned if you only have one or two items to exhibit. You don't need to be a Holcombe Residents Association member to take part.**

At this stage we are collecting together expressions of interest and will then plan in more detail. If you say "yes" to the invitation to take part I will write to you later this year with more details. If you have any immediate questions, however, please telephone one of the members of the organising committee whose contacts are shown at the foot of this letter.

**Would you please complete the attached reply slip and return it to Vicki Sparks at the address given?** We would appreciate a quick reply and also if you would indicate if you are not interested in exhibiting this time.

We very much hope that you will wish to take an active part in the coming exhibition and look forward to working with you.

Yours sincerely,

Roger Tyler, Chair of organising committee
