

# Devon Air Ambulance Trust

Mr A Watson  
Chairman  
Holcombe Residents Association

24 October 2011

Dear Mr Watson

We were delighted to receive total donations of £599.01 from the Evening with the Wag of Widecombe organised by the Holcombe Residents Association. The BBC Radio Devon Air Ambulance Appeal aims to raise £600,000, which will enable us to facilitate the purchase of an aircraft to replace the leased one, based in North Devon. We are truly grateful for your support.

The service has now been in operation for nineteen years, during which time the helicopters have flown in excess of 17,000 missions – helping to save lives and increasing our patients' chances of making a full and speedy recovery.

If you would like to know more about the BBC Radio Devon Air Ambulance Appeal please visit our website at [www.daat.org](http://www.daat.org) or give us a ring on 01392 466666 – we would love to hear from you! Meanwhile, as a token of our appreciation, please accept the enclosed Helipad magazine which we hope you will find informative.

On behalf of the Charity and everyone at BBC Radio Devon, our grateful thanks for your generous assistance.

Yours sincerely

Mark Granell
